

HB 1820-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Pertains to any person who was the former owner of a facility that is residential in nature and was insured by the underground petroleum storage tank insurance coverage provided in chapter 70.148 RCW at the time that ownership in the facility was transferred.

This provision only applies to liability for releases of heating oil, as that term is defined in RCW 70.149.030, from underground storage tanks located at the facility.
