

HB 1841-S - DIGEST

(DIGEST AS ENACTED)

Requires proof of sixteen hours of approved classroom electrical continuing education courses covering chapter 19.28 RCW, the national electrical code, or electrical theory, or the equivalent electrical training courses taken as part of an approved apprenticeship program under chapter 49.04 RCW or an approved electrical training program under RCW 19.28.191(1) (h). This education requirement is effective July 1, 2007.
