

HB 2403 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Authorizes a utility to solicit power purchase agreements to sell the qualifying facilities output to any other Washington utility. The local utility has the option to match the proposed price or must wheel the qualifying facility's output at a flat rate price not to exceed ten percent of the value of the power actually delivered under the contracted price. For purposes of this act, a qualifying facility is any generation facility having five hundred kilowatt capacity or less.
