

HB 2481 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Finds that access to insurance can be imperiled by the response of insurers to criminal acts. Rather than allow criminals to achieve their objectives, it is the intent of the legislature that criminals, through criminal acts, should not dictate insurance underwriting decisions.

Provides that, annually, each insurer must report underwriting actions to the commissioner if the insurer has taken an underwriting action against any insured who has filed a claim during the preceding sixty months that was the result of arson or malicious mischief. The report must include the policy number, name of the insured, location of the property, and the reason for the underwriting action.
