

HB 2583-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Declares an intent to provide for continuous health care eligibility for part-time academic employees based on averaging workload gained during the preceding academic year.

Provides that part-time academic employees, as defined in RCW 28B.50.489, who have established eligibility as determined from the payroll records of the employing community or technical college districts, for employer contributions for benefits under this chapter and who have worked an average of half-time or more in an academic year, through employment at one or more community or technical college districts, are eligible for continuation of employer contributions for the subsequent summer quarter period including the break between summer and fall quarters.
