

**HB 2630 - DIGEST**

(SUBSTITUTED FOR - SEE 2ND SUB)

Provides that the college board shall, with the assistance of the work force training and education coordinating board and a nonprofit organization that has been established to address work force development issues by a recognized statewide organization of employers representing a majority of employers in the state: (1) Identify high demand occupations, which are occupations where employer demand for workers exceeds the supply of qualified job applicants;

(2) Convene or use existing industry groups, such as industry skill panels or other industry or occupational entities, to identify the skill sets that workers need in the high demand occupations;

(3) Develop credentials that are recognized by postsecondary institutions and employers statewide and that are based on the attainment of the skill sets needed in occupations in high demand sectors;

(4) Market the credentials or certificates to potential students and employers as a way for them to advance in their careers; and

(5) Gain recognition of the credentials or certificates by employers.

Directs the college board to develop and implement a work force education program known as the opportunity grant program to provide funding for low-income students enrolled in the program, including but not limited to funding tuition, books, fees, and child care expenses.

Requires the college board to: (1) Begin developing the program no later than March 15, 2006, with student enrollment to begin no later than January 1, 2007; and

(2) Submit a progress report to the fiscal and higher education committees of the legislature by January 15, 2008.
