

HB 2811 - DIGEST

Establishes a covered electronic device recycling program.

Provides that, during 2014, the department shall convene a stakeholder group to evaluate the program and make recommendations to the legislature by January 1, 2015, as to whether to: (1) Continue the advanced recycling fee;

(2) Implement another financing alternative; or

(3) Determine that no outside financing mechanism is required to ensure that the system is financially solvent.
