

HB 2880 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Finds that exempting insurers from excise taxes on the purchase or sale of services is inequitable and results from the inadvertent failure to revise insurance premiums tax statutes to be consistent with other excise tax statutes.

Declares an intent to require insurers to pay retail sales and use taxes on purchases of both tangible personal property or services, on the same terms as other taxpayers. This act is intended to apply both prospectively and retrospectively.
