

HB 2911 - DIGEST

Provides that, by September 1, 2006, the department of social and health services shall establish a pilot project in alternative case management, using program for assertive community treatment teams, in one urban regional support network and one rural regional support network in the state.

Directs the department to submit to the appropriate committees of the legislature an evaluation of the pilot project by January 1, 2008.

Appropriates the sum of dollars, or as much thereof as may be necessary, for the biennium ending June 30, 2007, from the general fund to the department of social and health services for the purposes of this act.
