

HB 3075 - DIGEST

Provides that counties are authorized to create a county auditor licensing services account to be used in accordance with RCW 46.01.140.

Declares that the funds provided under this act are to be used solely for the purposes of providing vehicle and vessel title and registration services to the public a minimum of regular county business hours, and with the necessary staff to comply with the terms and conditions of the standard contract agreement between the department and the county auditors as required in this act. The funds may not be deposited into the county current expense fund.
