

**HB 3132 - DIGEST**

Allows licensees to operate vending facilities and vending machines in public buildings rent free.

Authorizes a licensee to subcontract with food service providers in operating vending facilities and vending machines in public buildings.

Provides that any private office building located in the capital area that leases space to at least one hundred state employees shall contract with the department of services for the blind to provide vending facilities and/or vending machines in those facilities. If the department indicates to the building owner that a vendor is not available or that the building does not meet the needs of the blind vendors' program, the building owner may then seek other vendors for the facility; however, all vending machines in such facilities shall be provided by the department.
