

SB 5234 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares that a surcharge of five dollars for residents and twenty-five dollars for nonresidents is applied to all big game and all small game licenses not purchased with a big game license for management of recreational access and habitat enhancement agreements as authorized in RCW 77.12.320. The surcharge for the three-day nonresident small game license is five dollars.

Requires all revenue derived from this surcharge to be deposited in the state wildlife fund and must be used only for the management and implementation of wildlife recreational access and habitat enhancement agreements authorized in RCW 77.12.320. Administrative costs charged to this program may not exceed ten percent of annual expenditures.
