

SB 5657-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that a person who sells at retail, supplies, handles, or transports liquefied petroleum gas is not liable for civil damages for injury or loss of property caused by: (1) The installation, alteration, modification, or repair of liquefied petroleum gas equipment or a liquefied petroleum gas appliance if the installation, alteration, modification, or repair was done without the knowledge and consent of the person selling, supplying, handling, or transporting liquefied petroleum gas; or

(2) The use of liquefied petroleum gas equipment or a liquefied petroleum gas appliance in a manner or for a purpose other than that for which the equipment or appliance was intended and that could not reasonably have been expected.
