

SB 6195 - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Directs the state board, in collaboration with the governor's interagency council on health disparities, to complete health impact assessments, in collaboration with the council, and with assistance that shall be provided by any state agency of which the board makes a request. The state board may limit the number of health impact assessments it produces to retain quality while operating within its available resources.

Appropriates the sum of three hundred thousand dollars, or as much thereof as may be necessary, for the fiscal year ending June 30, 2007, from the general fund to the department of health for allotment to the state board of health for its use in implementing this act.
