

**SB 6340 - DIGEST**

Authorizes the department to send notice to a responsible parent informing the responsible parent of the department's intent to submit the parent's name to the department of licensing and any appropriate licensing entity as a licensee who is not in compliance with a child support order.

Provides that if the support order establishing or modifying a child support obligation does not include a statement as required under RCW 26.23.050 (1)(d) or (3) that the responsible parent's privileges to obtain and maintain a driver's license may not be renewed, or may be suspended if the parent is not in compliance with a support order, the department must serve upon a responsible parent a notice informing the responsible parent of the department's intent to submit the parent's name to the department of licensing and any appropriate licensing entity as a licensee who is not in compliance with a child support order before certifying the name of the parent to the department of licensing or any other licensing entity.
