

SB 6355 - DIGEST

Appropriates the sum of one hundred thousand dollars, or as much thereof as may be necessary, from the general fund to the interagency committee for outdoor recreation for the fiscal year ending June 30, 2007, to fund off-road vehicle education and enforcement activities by state agencies and local governments through the nonhighway and off-road vehicle activities program.

Requires the department of natural resources to convene a working group to develop and propose policy strategies and legislation to address issues relating to access to public and private lands for recreational off-road vehicle use.

Requires the working group to provide its policy strategies and legislative proposals to the appropriate policy and fiscal committees of the senate and house of representatives by December 1, 2007.
