

**SB 6388 - DIGEST**

Declares that government's use of eminent domain in Washington should be restricted to uses that protect public health and safety or provide public use facilities, such as streets, roads, highways, street and road lighting systems, traffic signals, transportation corridors, utility corridors, water systems, storm and sanitary sewer systems, sewage treatment facilities, landfills, park and recreational facilities, and schools.

Provides that no government shall take or damage private land or any interest in real property that is not to be used for the construction of a public use facility or the provision of a public service necessary to protect public health and safety.
