

SB 6427 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Finds there is a statewide interest in maintaining coordinated planning as called for in the legislative findings of the growth management act, RCW 36.70A.010. It is the intent of the legislature that smaller, slower-growing counties and cities be provided with flexibility in meeting the requirements to review local plans and development regulations in RCW 36.70A.130, while ensuring coordination and consistency with the plans of neighboring cities and counties.
