

SB 6852-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that it is in the public interest to limit the liability of state and local governments for injuries caused by released offenders and other persons who are being supervised in the community or who are on a community-based treatment monitoring program. The legislature intends this act to limit both the class of supervised persons for whom state and local government can be held liable and the circumstances under which liability can be imposed.
