3 "NEW SECTION. **Sec. 6.** A new section is added to chapter
4 19.112 RCW to read as follows:

5 (1) Special fuel licensees under chapter 82.38 RCW, other than
6 international fuel tax agreement licensees, dyed special fuel
7 users, and special fuel distributors, shall not use biodiesel fuel
8 derived from palm oil to qualify towards the biodiesel fuel
9 requirements established in RCW 19.112.110, unless one of the
10 following two conditions is satisfied:

11 (a) The special fuel licensee can demonstrate that, at the time
12 of production, there was not sufficient Washington grown feedstock
13 available to produce the biodiesel from canola, rapeseed, or
14 mustard oil; or

15 (b) The palm oil was purchased from a company that:

16 (i) Maintains active membership in the roundtable for
17 sustainable palm oil; and

18 (ii) Implements the roundtable for sustainable palm oil's
19 directives as they are promulgated in order to ensure the
20 sustainability of the palm oil.

21 (2) For purposes of this section, "palm oil" means a form of
22 edible vegetable oil obtained from the fruit of the oil palm tree."

23 Correct the title.
