

HB 1116 - H AMD 7

By Representative Armstrong

FAILED 02/12/2007

1 On page 1, line 9, after "state." insert "The plan must address,
2 among other issues, how (a) reducing impact fees, (b) allowing single-
3 family residential development outside urban growth areas, and (c)
4 eliminating the state sales tax on construction labor and services in
5 counties where housing is not affordable, may contribute to an increase
6 in the state homeownership rate."

EFFECT: Requires that the commission address how initiatives, such as reducing impact fees, allowing single-family development outside urban growth areas, and eliminating state sales tax on construction labor and services in certain counties, may increase the state homeownership rate.
