

SHB 1802 - H AMD 344

By Representative Hinkle

FAILED 3/12/2007

1 On page 2, line 9, after "vaccine." insert "The information
2 about the human papillomavirus disease and its vaccine must include
3 a clear disclosure statement on the front of the distributed
4 material in bold-face type, in a font size at least two points
5 larger than other font sizes on the page, that reads: "Long-term
6 clinical trials of the human papillomavirus vaccine have not been
7 conducted. The long-term effects of the vaccine and the length of
8 vaccine protection (immunity) are unknown."

EFFECT: Requires information distributed on HPV and its vaccine to include a statement on the front of the materials that long-term clinical trials of HPV vaccine have not been conducted and the long-term effects and length of vaccine protection are unknown.
