2 material through "life" on line 15 and insert "parents who have  
3 regularly contributed to the support of a deceased adult child if  
4 the adult child had a developmental disability as defined in RCW  
5 71A.10.020"

6           On page 3, beginning on line 29, after "support or" strike all  
7 material through "life" on line 30 and insert "parents who have  
8 regularly contributed to the support of the deceased person if the  
9 deceased person had a developmental disability as defined in RCW  
10 71A.10.020"

11           On page 4, line 15, after "child" insert "or his or her child  
12 with a developmental disability as defined in RCW 71A.10.020"

13           On page 4, beginning on line 17, after "support" strike "or who  
14 has had significant involvement in a child's life"

**EFFECT:** Removes parents who have had "significant involvement" in an adult child's life as beneficiaries under the wrongful death and survival statutes. Instead, allows a parent of an adult child with a developmental disability to be a beneficiary without having to show financial dependence on the child.
