FAILED 03/14/2007

1 On page 3, after line 22, strike all material through "vendor." on
2 line 34 and insert the following:

3 "(1) A recycling program is encouraged at official gatherings and
4 at sports facilities in communities where there is an established
5 curbside service and where recycling service is available to
6 businesses.

7 (2) A recycling program includes provision of receptacles or
8 reverse vending machines, and provisions to transport and recycle the
9 collected materials. Facility managers or event coordinators are
10 encouraged to work with vendors to coordinate the recycling program.
11 The recycling receptacles or reverse vending machines should be clearly
12 marked, and should be provided for the aluminum, glass, or plastic
13 bottles or cans that contain the beverages sold at the official
14 gathering or sports facility."

EFFECT: Encourages a recycling program at official gatherings and sports facilities in communities where there is an established curbside and business recycling program.
