4 "(j) Amounts appropriated in this section are sufficient to fund
5 the cost of cost of living adjustments provided in section 504 of
6 this act. The office of the superintendent of public instruction
7 shall adjust accordingly any internal references and the
8 appropriate formula allocation factors in sections 501-515 of this
9 act. Furthermore, the office of the superintendent of public
10 instruction is hereby granted authority to transfer appropriations
11 among sections 501-515 of this act the extent required to fund the
12 costs of the cost of living adjustments in other sections."

EFFECT: The 1% COLA in the underlying budget bill is allocated uniformly to all districts, for all types of staff, for 2008-09 School Year. This amendment reallocates the same level of funding to reducing differences in base salaries among districts for certificated instructional staff on the state salary schedule. By the end of the 2008-09 school year, 4 grandfathered salary districts are reduced, reducing the total number of grandfathered districts to 9.

FISCAL IMPACT: No change to appropriation levels.
