By Representative Armstrong

ADOPTED 2/22/2008

1 On page 71, beginning on line 18, after "local rail district"
2 strike "to which operating rights for the PCC rail line system area
3 assigned"

EFFECT: Removes the requirement that an intergovernmental entity or local rail district must have operating rights for the PCC rail line assigned to it in order to receive funds for rehabilitation of the line from the Transportation Infrastructure Account.
