NOT ADOPTED 2/29/2008

1 On page 2, after line 2, insert the following:

2 "Replacing the state route number 520 bridge is an emergency
3 and thus a top priority of the state, and the legislature therefore
4 finds that the replacement state route number 520 bridge must be
5 open to traffic in five years, rather than the current completion
6 date of 2018. The legislature further finds that it should
7 immediately take the necessary actions to accomplish this goal."

EFFECT: Adds intent language stating that replacing the state route number 520 bridge is an emergency, that the replacement bridge must be open to traffic in five years, and that the legislature should take all necessary actions to accomplish this goal.
