FAILED 3/12/2007

1 On page 2, line 29, after "proposition" insert ". The state
2 shall guarantee that no school district imposes a tax rate higher
3 than the statewide average tax rate needed to collect a maintenance
4 and operations school levy at the maximum amount authorized by
5 statute, by providing sufficient funding that, when added to the
6 school district levy, is equal to the full amount of the levy
7 authorized by statute"

EFFECT: Requires that the state guarantee sufficient funding to fully fund maintenance and operations (M&O) levies at the 24 percent level while ensuring that no district levies at a rate higher than the statewide average.
