3 On page 3, line 34, after "program" insert "using methods in place
4 for communicating with schools and school districts"

5 On page 3, after line 36, insert the following:

6 "NEW SECTION. **Sec. 4.** Each school district shall notify students,
7 parents, teachers, counselors, and principals about the Washington
8 college bound scholarship program through existing channels.
9 Notification methods may include, but are not limited to, regular
10 school district and building communications, online scholarship
11 bulletins and announcements, notices posted on school walls and
12 bulletin boards, information available in each counselor's office, and
13 school or district scholarship information sessions."

14 Renumber the remaining sections consecutively and correct any
15 internal references accordingly.

EFFECT: Removes the requirement that the OSPI provide direct notification about the scholarship program to students, parents, teachers, counselors, and principals.
