By Representative Ahern

**FAILED 4/11/2007**

1           On page 2, line 17, after "prevention." insert "Any practice  
2 discussed in the sexual health education instruction that does not  
3 result in one hundred percent protection from unintended pregnancy  
4 and sexually transmitted diseases may not be described as safe  
5 sex."

**EFFECT:** Prohibits, in public school sexual health education,  
describing a practice as "safe sex" if it does not result in  
100 percent protection from unintended pregnancy and sexually  
transmitted diseases.
