

ESSB 5297 - H AMD 720

By Representative McCune

FAILED 4/11/2007

1 On page 2, line 17, after "prevention" insert "; however, it
2 must be emphasized throughout the program that abstinence is the
3 only medically and scientifically proven way to avoid pregnancy and
4 sexually transmitted diseases"

EFFECT: Requires the sexual health education program to emphasize that abstinence is the only medically and scientifically proven way to avoid pregnancy and sexually transmitted diseases.
