ADOPTED 4/10/2007

1 On page 4, line 1 of the striking amendment, after "(b)" strike
2 all material through "(c)" on line 7

3 Renumber the remaining subsections consecutively.

4 On page 4, after line 18 the striking amendment, insert the
5 following:

6 "(5) The task force shall recommend a compensation system for
7 instructional staff that includes pay for performance, knowledge,
8 and skills elements; elements to recognize assignments that are
9 difficult; and recognition for the professional teaching level
10 certificate in the salary allocation model. The task force shall
11 also recommend a plan to implement the revised compensation
12 system."

EFFECT: Rather than considering whether the compensation system for instructional staff should include such elements as pay for performance, recognition of difficult assignments, and other elements, the Task Force must recommend such a compensation system and recommend a plan to implement it.
