

**ESSB 6001** - H AMD TO H AMD (H-3547.1) **848**  
By Representative Crouse

**ADOPTED 4/12/2007**

1           On page 13, after line 35 of the amendment, insert the  
2 following:

3           "NEW SECTION.   **Sec. 11.** By December 31, 2007, the governor  
4 shall report to the legislature regarding the potential benefits of  
5 creating tax incentives to encourage baseload electric facilities  
6 to upgrade their equipment to reduce carbon dioxide emissions, the  
7 nature and level of tax incentives likely to produce the greatest  
8 benefits, and the cost of providing such incentives."

9           Renumber the remaining section consecutively.

**EFFECT:** Requires the Governor to report to the Legislature regarding the potential benefits of creating tax incentives to encourage baseload electric facilities to upgrade their equipment to reduce carbon dioxide emissions, the nature and level of tax incentives likely to produce the greatest benefits, and the cost of providing such incentives.
