

**ESSB 6001** - H AMD TO APP COMM AMD (H-3312.1) **481**  
By Representative Morris

**OUT OF ORDER 4/12/2007**

- 1           On page 5, beginning on line 24, strike  
2           "(b) A greenhouse gases emissions performance standard will  
3 complement the state's carbon dioxide mitigation policy for  
4 fossil-fueled thermal electric generation facilities under chapter  
5 80.70 RCW."  
  
6           Renumber the subsections consecutively.

**EFFECT:** Removes as a legislative declaration that a greenhouse gases emissions performance standard will complement the state's carbon dioxide mitigation policy for fossil-fueled thermal electric generation facilities under chapter 80.70 RCW.
