

SSB 6011 - H AMD TO H AMD (H-3423.1/07) 798
By Representative Sump

1 On page 3, line 5 of the amendment, after "reserve" insert "by
2 prohibiting new bulkheads or other shoreline armoring that interferes
3 with such functions and processes"

EFFECT: Specifies that the Maury Island Aquatic Reserve management goal relating to protecting and restoring natural processes and functions is limited to prohibiting new bulkheads or other shoreline armoring.
