

SSB 6011 - H AMD TO H AMD (H-3423.1/07)
By Representative

1 On page 3, line 28 of the amendment, after "or" strike "other
2 industrial activities" and insert "that has not been designated as a
3 mineral land of long-term significance pursuant to chapter 36.70A RCW"

EFFECT: Allows the Department of Natural Resources to allow portions of the Maury Island Aquatic Reserve to be put to industrial purposes if the purpose is a mining operation that has been designated as a mineral land of long-term significance.
