By Representative Anderson

**FAILED 4/13/2007**

1 On page 3, line 17 of the striking amendment, after "district,"  
2 strike "and"

3 On page 3, line 17, after "tolling" insert ", and two billion  
4 seven hundred million dollars from the regional transit authority  
5 as provided in section 5 of this act"

6 On page 3, after line 21, insert:

7 "NEW SECTION. **Sec. 5.** A new section is added to chapter  
8 81.112 RCW to read as follows:

9 Funds received as part of the regional transit authority's  
10 system and financing plan submitted to voters at the 2007 general  
11 election under RCW 36.120.070 and 81.112.030 that are intended to  
12 support light rail across Lake Washington shall, instead, be  
13 allocated to the projects listed below in the amounts described and  
14 in the following order of priority:

15 (1) Two billion seven hundred million dollars for the  
16 improvement and replacement of the state route number 520 bridge  
17 replacement and HOV project between Interstate 5 and Interstate  
18 405; and

19 (2) All other projects identified in the authority's system and  
20 financing plan except for projects that support development of  
21 light rail across Lake Washington."

22 Renumber the sections accordingly and correct any internal  
23 references.

**EFFECT:** If the system and finance plan is approved by the voters in November of 2007, precludes Sound Transit from using phase two revenues to support light rail across Lake Washington and redirects \$2.7 billion of any funds intended for light rail across Lake Washington to the state route 520 bridge replacement project.
