

**ESSB 6157 - H AMD 909**

By Representative Ahern

WITHDRAWN 04/21/2007

1        On page 30, line 31, after "earlier." insert "However, upon the  
2 release of the offender the department shall present a compelling,  
3 articulable justification why the release of the offender will or will  
4 not present a risk of danger to the public."

EFFECT:        Requires that when an offender who is on community custody, community placement, or community supervision commits a new felony and is being released from total confinement the DOC must present a compelling, articulable justification why release of the offender will or will not present a risk of danger to the public.
