

ESSB 6308 - H AMD TO APP COMM AMD (H-5885.1/08) **1370**
By Representative Upthegrove

1 On page 2, line 11 of the amendment, after "management," insert
2 "including current and projected limitations on commercial or
3 residential development in cities and counties resulting from the lack
4 of an adequate water supply,"

EFFECT: Requires the DOE to submit in its November 1, 2008,
report recommendations for current and projected limitations on
commercial or residential development in cities and counties resulting
from the lack of an adequate water supply.

--- END ---
