By Representative Bailey

NOT ADOPTED 2/12/2008

1 On page 1, line 15, after "served by" strike all material
2 through "vessels" on line 18 and insert "the Port Townsend-Keystone
3 route. The unique features of the Port Townsend-Keystone route
4 prevent the ferry system from assigning other state-operated
5 auto/passenger vessels to that route. Therefore, an expedited
6 procurement is required for the construction of new vessels to
7 restore permanent auto/passenger ferry service to the Port
8 Townsend-Keystone route"

9 On page 2, line 4, after "service on" insert "the Port
10 Townsend-Keystone route or other"

EFFECT: Reinserts language from the underlying bill which references service to the Port Townsend-Keystone route.
