

2SHB 1573 - S COMM AMD
By Committee on Ways & Means

ADOPTED AS AMENDED 04/09/2007

1 Strike everything after the enacting clause and insert the
2 following:

3 "NEW SECTION. **Sec. 1.** It is the intent of the legislature that
4 increasing academic success and increasing graduation rates be dual
5 goals for the K-12 system. The legislature finds that only seventy-
6 four percent of the class of 2005 graduated on time. Students of
7 color, students living in poverty, students in foster care, students in
8 the juvenile justice system, students who are homeless, students for
9 whom English is not their primary language, and students with
10 disabilities have lower graduation rates than the average. The
11 legislature further finds that students who drop out experience more
12 frequent occurrences of early pregnancy, delinquency, substance abuse,
13 and mental health issues, and have greater need of publicly funded
14 health and social services. The legislature further finds that helping
15 all students be successful in school requires active participation in
16 coordinating services from schools, parents, and other stakeholders and
17 agencies in the local community. The legislature finds that existing
18 resources to vulnerable youth are used more efficiently and effectively
19 when there is significant coordination across local and state entities.
20 The legislature further finds that efficiency and accountability of the
21 K-12 system would be improved by creating a dropout prevention and
22 intervention grant program that implements research-based and emerging
23 best practices and evaluates results.

24 NEW SECTION. **Sec. 2.** Subject to the availability of funds
25 appropriated for this purpose, the office of the superintendent of
26 public instruction shall create a grant program and award grants to
27 local partnerships of schools, families, and communities to begin the
28 phase in of a statewide comprehensive dropout prevention, intervention,

2 bridges program.

11 student learning plan as defined under RCW 28A.655.061. Students

1 resources that relate to the goal of the partnership. The third-party
