

2SHB 1573 - S AMD TO WM COMM AMD (S-3301./07) **385**
By Senator Zarelli

ADOPTED 4/9/2007

1 On page 4, beginning on line 21 of the amendment, after "that"
2 strike "equal consideration is given to school districts and other
3 recipients" and insert "grants are distributed proportionately between
4 school districts and other recipients. This requirement may be waived
5 if the superintendent of public instruction finds that the quality of
6 the programs or applications from these entities does not warrant the
7 awarding of the grants proportionately"

--- END ---

EFFECT: The superintendent of public instruction must ensure that grants are distributed proportionately between school districts and other recipients, unless the quality of the programs or applications does not warrant awarding the grants proportionately.
