

SHB 1802 - S AMD to S COMM AMD (HEA S3239.2) **373**
By Senator Pflug

NOT ADOPTED 4/6/2007

1 On page 2, line 18 of the amendment, after "received", insert ";
2 and

3 (iii) A clear disclosure statement on the front of the distributed
4 material in a bold-face type, in a font size at least two points larger
5 than other font sizes on the page, that reads: "Long-term clinical
6 trials of the human papillomavirus vaccine have not been conducted.
7 The length of vaccine protection (immunity) is unknown"

8 Renumber the sections consecutively and correct any internal
9 references accordingly.

--- END ---

EFFECT: Requires information distributed on HPV and its vaccine to include a statement on the front of the materials that long-term clinical trials of HPV vaccine have not been conducted and the length of vaccine protection is unknown.
