By Senator Kline

1 On page 2, line 9, after "executed," insert "the landlord shall
2 send the tenant notice by certified letter indicating that the property
3 will either be stored or deposited on the nearest public property. If
4 a tenant does not respond in writing or in person within seven days".

5 Renumber the sections consecutively and correct any internal
6 references accordingly.

--- END ---

EFFECT: If a tenant is not present at the time a writ of restitution is executed, the landlord is to send written notice to the tenant indicating that the property will either be stored or deposited on the nearest public property. If the tenant does not respond within 7 days, the landlord may presume the tenant does not object to the storage of the property and the landlord may either store the property or deposit it on the nearest public property.
