By Senator Shin

PULLED 2/28/2008

1 On page 271, after line 35, insert the following:

2 "(3) The community and technical colleges shall report running
3 start enrollments to the office of financial management and to the
4 legislature as state-supported enrollments at the rate of 0.4 full-time
5 equivalent state-supported enrollments for every 1.0 full-time
6 equivalent running start student. The state-supported enrollment
7 target in subsection (1) of this section shall not be increased as a
8 result of counting these running start enrollments."

9

10 Renumber the sections consecutively and correct any internal
11 references accordingly.

--- END ---

EFFECT: Authorizes community and technical colleges to count 40% of their Running Start enrollments for K-12 students that are funded through local school districts against the enrollment targets for non-K12 students that are funded through direct state appropriations to the State Board for Community and Technical Colleges.
