By Senator Morton

1        On page 2, line 29, after "initiative." insert "The department  
2 shall post on its internet web site the known details of all reported  
3 interactions related to each identified priority species, including  
4 human safety confrontations or sightings as well as the known details  
5 of reported depredations by each identified priority species on humans,  
6 pets, livestock, or state or federally listed threatened or endangered  
7 species, within ten days of receiving the report. The posted material  
8 must include, but is not limited to, the location and time, the known  
9 details, the number of captures, capture attempts and relocations, and  
10 a running summary of such reported interactions by identified priority  
11 species and interaction type within each affected county or regional  
12 district."
