By Senator

1 On page 2, line 32, after "(14)" insert "Hearth products" means
2 any wood, pellet, natural gas, propane, electric, or oil-fueled
3 appliance that has a visual presence in a living space of a home, or
4 any outdoor natural gas or propane-fueled barbecue or fireplace that is
5 listed to the appropriate underwriters laboratories, American national
6 standards institute, or ASTM international product safety standard.

7 (15)"

8 Renumber the remaining subsections consecutively and correct any
9 internal references accordingly.

10 On page 3, beginning on line 7, after "(i)" strike all material
11 through "coal stoves;" on line 8, and insert "Hearth products;"

12 On page 7, beginning on line 5, strike all of subsection (1)(k) and
13 insert the following:

14 "(k) Installing, maintaining, servicing, and replacing hearth
15 products. Installing, maintaining, servicing, and replacing a hearth
16 product includes the act of connecting the appliance with an approved
17 flexible gas supply line not to exceed forty-eight inches in length and
18 all other necessary installation, including venting, per manufacturer
19 instructions, specifications, and appropriate building codes."

EFFECT: Exempts persons who are installing, maintaining,
servicing, and replacing hearth products from mechanic certification
requirements.

Defines "hearth products" as wood, pellet, natural gas, propane,
electric, or oil-fueled appliances that have a visual presence in a

living space of a home, and outdoor natural gas or propane-fueled barbecues or fireplaces that are listed to certain standards.
