1   On page 11, after "contractor." on line 21 insert "This section
2 does not apply if the reason the prime contractor has not paid the
3 subcontractor, supplier or laborer is due to the failure of the
4 homeowner to pay the prime contractor for work done by the
5 subcontractor, supplier or laborer."

    EFFECT: If the reason the prime contractor did not pay a
    subcontractor, supplier or laborer was because the homeowner did
    not pay the prime contractor, and, as a result, the subcontractor,
    supplier or laborer filed a lien, the subcontractor, supplier or
    laborer is not prohibited from filing a later lien against another
    homeowner for work done for the same contractor.
