

SB 6629 - S AMD 267  
By Senator Keiser

PULLED 03/11/2008

1        On page 8, line 9, after "2006." insert "Effective July 1, 2007,  
2 component rate allocations for direct care shall be based on actual  
3 patient days regardless of whether a facility has converted banked beds  
4 to active service."

EFFECT: Clarifies that nursing facilities should be paid for direct care based on the actual number of Medicaid patients.
