

**SB 6638 - S AMD 151**

By Senators Tom, McAuliffe, and Roach

**NOT ADOPTED 2/19/2008**

1        On page 6, line 6, after "subsection" insert ", art programs in the  
2 public schools of the county, and for enhanced foreign language  
3 education programs in the public schools of the county. The funds from  
4 the account shall be distributed equally between the three allowable  
5 purposes.

6        In consultation with the public school districts in the county,  
7 the county treasurer shall develop a method for distributing the funds  
8 for arts programs and enhanced foreign language education programs in  
9 the public schools. In deciding the specific amounts and distribution  
10 method to each respective school district, the county treasurer shall  
11 consider the number of full-time-equivalent students, the need for  
12 additional support to sustain and implement these programs, and current  
13 resources being utilized for these programs. Beginning December 1,  
14 2009, each year thereafter, the office of superintendent of public  
15 instruction shall provide a report summarizing the amounts received by  
16 each public school district in the county from the distributions in  
17 this section and specific activities funded with these fund sources."

18        Renumber the sections consecutively and correct any internal  
19 references accordingly.

--- END ---

**EFFECT:** Divides the funding in the underlying bill that would go  
arts and heritage programs in King County into thirds. One third  
to arts and heritage programs in the county. One third to art  
programs in the public schools in the county and one third to  
enhanced foreign language education in public schools in the  
county.
